ALSO KNOWN AS ▶▶

Dan, Daniel or Splash.

DTH represents the pursuit of a generalist specialist - absorbing from a plethora of music genres, teachings and movement concepts. Daniel has a vision to grow a practice of facilitating healthy expression of self through rhythm, exercise and human connection...

“DTH’s performances bring a mixture of powerful djemebe riffs, infused synth laden chords, percussive journeys and searching harmonic riffs through funk, jazz, blues and tribal world music to create an immersive, participation centred experience.”
